PERSONAL STATEMENT

A graduate of Computer Science from ESGT University, Benin (Ecole Superiure De Gestion Et De Technologie), A front end developer. My passion is to be a valuable part of the team of programmers in any organisation I work in. I obtained a professional diploma in information and technology from NIIT Lagos Nigeria where I then furthered my study at ESGT University. I am birthed with the zeal to improve myself and adapt in any place I find myself working. I am hardworking, physically and mentally fit, a good team player and someone who is willing to work on any perceived weakness in order to get the best of me. I am result driven which helps me in my exceptional ability to work with minimal or no supervision.
